10E/ER Survey

**Rip fence knob orientation:
Horizontal or angled down**

**Rip fence lock style for angled knob: plain
thread end or wedge tipped**

**Extension table bracket slot:
E-5" or ER-4" or ER-6"**

Saw guard: slotted or solid

Wedge locks: one piece or two piece

You can tell without removing the locks by the size of the hole on the rear side of the headstock. Large hole indicates two piece, small hole indicates one piece.

Pivot base footprint: round end or squared off

Headrest bolt pattern: one bolt on each side or two on each side
