WARRANTY

Your jigsaw carries a one-year warranty against defective materials or workmanship, provided you signed and returned the warranty card that came with your machine. For repair or replacement of a part under warranty, send the part prepaid to our factory with a letter describing the nature of the difficulty and the serial number of the machine. If the warranty is applicable, the part will be repaired or replaced, no charge.

Before shipping parts, contact your SHOPSMITH dealer, many of whom can give excellent mechanical service. When ordering parts, be sure to supply part number and description, plus model and serial number of machine.

Replacement of bearings in lower housing is a factory job. For repair or replacement, return the entire housing or order a complete housing assembly.
