

ShopSmith Accessory Shelf with Drawers

Notes:

1. Shown in grey: ShopSmith legs and *lower* (support) tubes.
2. Supports: 1.5" ht x approx. 1" thickness. Rip from 2x4 scrap, fit to angles inside frame legs.
3. Depth (at supports) 13.5".
4. Material: 0.75" plywood (drawer bottoms: 1/8" hardboard).
5. Dado / rabbet joints; allow 1/8" extra as appropriate.
6. Centered in bottom of each of the eight horizontal compartments: cut 7/8" slot, approx. 1.5" long (for saw arbor).
7. Close rear of entire assembly with 0.75" plywood, 12" x 50.5".
8. Mount drawers using 12" bottom-mount European drawer slides.
